

Attention WCRA Members & Associates

We have just received advice from NSW Health via the State Operations Centre.

The Commonwealth Government requires everyone entering a residential aged care facility to be vaccinated with a flu shot by 1st May 2020.

This includes all waste & recycling drivers that enter an aged care facility.

This is consistent with NSW Health advice available

www.health.nsw.gov.au/Infectious/Influenza/Pages/residential-care.aspx

<https://www.health.gov.au/resources/publications/coronavirus-covid-19-restrictions-on-entry-into-and-visitors-to-aged-care-facilities>

Thanks & best regards,

Tony Khoury
