

WASTE CONTRACTORS &
RECYCLERS ASSOCIATION
OF N.S.W

Sydney

The Waste Contractors and Recyclers Association of NSW, in conjunction with our training partner, TAFE NSW – Sydney Institute (RTO Code 90003), are pleased to offer the following training to our Members:

TLIF3063 Administer the Implementation of Fatigue Management Strategies

The course has been designed to meet:

1. The nationally recognised unit of competency “TLIF3063 – Administer the Implementation of Fatigue Management Strategies” from the Transport & Logistics Training Package (TLI10/Release 1.0); and
2. The needs of driver supervisors and managers (including owner drivers), working in the Waste Management Industry.

The course is designed to provide you and your staff with driver fatigue management knowledge and to assist your business to:

- Be familiar with, and understand, the laws for heavy vehicle driver fatigue management which commenced in September 2008.
- Decide on a work/rest option: e.g. Standard Hours, Basic or Advanced Fatigue Management.
- Identify and effectively manage all chain of responsibility requirements.
- Achieve NHVAS accreditation in either Basic or Advanced Fatigue Management.

Whether your organisation is adopting Standard Hours or seeking Accreditation in Basic or Advanced Fatigue Management ... this is the courses for you!

The course covers:

Fatigue Management System Requirements:

- Details of Standard Hours, Basic and Advanced Fatigue Management options
- Integrating fatigue management with OH&S
- Requirements for accreditation in the National Heavy Vehicle Accreditation Scheme (NHVAS)

Risk Management Approach:

- Identifying driver fatigue risks
- Methods for assessing risks
- Risk control hierarchy
- Control measures including:
 - Work procedures and policies
 - Communicating control measures
 - Training and instruction
 - Supervision

Implementing a Fatigue Management System:

- Management system components
- Using checklists to assess your current system
- Developing a Fatigue Management System Implementation Action Plan

There will be a written assessment at the conclusion of the training session.

To participate, each student requires a Unique Student Identifier. A USI can be obtained from <http://www.usi.gov.au/Students/Pages/default.aspx>
