

**WASTE CONTRACTORS &
RECYCLERS ASSOCIATION
OF N.S.W**

The Waste Contractors and Recyclers Association of NSW, in conjunction with our training partner, TAFE NSW – Sydney Institute (RTO Code 90003), are pleased to offer the following training to our Members:

TLIF0005 – Apply Fatigue Management System

The course has been designed to meet:

1. The nationally recognised unit of competency “TLIF0005 – Apply Fatigue Management System” from the Transport & Logistics Training Package; and
2. The needs of drivers of heavy vehicles (including owner drivers), and associated supervisors and managers, working in the Waste Management Industry.

The course is designed to provide you and your staff with driver fatigue management knowledge and to assist your business to:

- Be familiar with, and understand, the laws for heavy vehicle driver fatigue management which commenced in September 2008.
- Decide on a work/rest option: e.g. Standard Hours, Basic or Advanced Fatigue Management.
- Identify and effectively manage all chain of responsibility requirements.
- Achieve NHVAS accreditation in either Basic or Advanced Fatigue Management.

Whether your organisation is adopting Standard Hours or seeking Accreditation in Basic or Advanced Fatigue Management ... this is the course for you!

We will deliver this training via the services of a suitably accredited Registered Training Organisation.

The course covers:

Requirements of the heavy vehicle road transport laws:

- What is work time? What is rest time?
- Fatigue management options
- Record Keeping
- What organisations are required to do
- WHS implications
- Driver responsibilities
- Responsibilities of parties across the Chain of Responsibility
- Obligations for Waste Management Industry operators

What is fatigue?

- Common symptoms
- Effects
- Identifying and prioritising causes

Managing fatigue:

- Organisational systems, policies and procedures
- Obligations under the Heavy Vehicle National Law
- Personal strategies and actions
- Risk management
- Developing a Personal Fatigue Management Action Plan

There will be a written assessment at the conclusion of the training session.

To participate, each student requires a Unique Student Identifier. A USI can be obtained from

<http://www.usi.gov.au/Students/Pages/default.aspx>
