Waste & Resource Recovery Workshops	Workshop dates will be advertised throughout the year											

Your Association would be pleased to assist you the Members with:-

- Training needs (including Traineeships, Chain of Responsibility, Fatigue Management, Overhead Electrical Wires, etc).
- Employment relations support and representation including payroll advice and interpretation.
- Advice in relation to the Waste Management Award 2010 (currently under review)
- WHS, Workers Compensation, Environmental and RMS advice and interpretation.
- Waste & Resource Recovery Worker's Training
- Guidance material in areas such as load restraint, resource recovery, grease trap waste, etc.
- Lobbying and representations to Local, State and Federal Governments.
- Regular meetings to update and discuss current business issues that affect the waste & recycling industry.
- Opportunities for your organisation to influence decisions that will affect your business.
- Networking with other organisations in your industry.
- The responsible management of waste and recyclable resources.

SPONSORS:

Please note that there are many Local Public Holidays that are gazetted by the NSW Government. For more information, please refer to the WCRA website. All dates are correct at the time of publication, but may be subject to change. Please note that the above events and meetings will be reconfirmed by WCRA in the weeks leading up to each respective event. Additional briefings and meetings may be called in the event of relevant and material industry developments.
