

WASTE CONTRACTORS &  
RECYCLERS ASSOCIATION  
OF N.S.W

The Waste Contractors and Recyclers Association of NSW, in conjunction with our training partner, Premium Health (RTO 104032), are pleased to offer the following nationally accredited training to our Members:

## **Provide First Aid (HLTAID003)**

### **Who is Premium Health?**

Premium Health is an accredited national RTO that provides engaging and innovative health and wellbeing training in the form of various First Aid and Healthcare training with tailored solutions, such as scenario based first aid skills workshops.

Every one of Premium Health's trainers is an experienced nurse or paramedic with an extensive medical and emergency background, skilled in delivering expert training. The trainers are able to draw upon their professional experience to give your staff real life skills to manage serious accidents and health conditions in the workplace.

Attending this WCRA provided training will provide the following additional benefits as compared to public access courses provided by other organisations:

- Opportunity for your people to network with others in their industry;
- Guaranteed delivery by experienced nurses or paramedics;
- 1 x mannequin per participant (compared to 1:2 provided by other providers);
- Hard copy first aid book, not simply an online materials.

### **Who should attend?**

The workshop will provide great learning opportunities for anyone who requires or would like to obtain a nationally recognised first aid certificate.

### **The course has been designed to:**

- Provide First Aid including CPR
- To co-ordinate First Aid until the arrival of medical assistance and
- To effectively communicate and document the incident
- Include topics such as First Aider responsibilities, infection control, manual handling, resuscitation, bleeding and shock, anaphylaxis, respiratory & cardiac conditions, altered conscious states, bone and soft tissue injuries, wound management

### **Where is and how long is the workshop?**

The workshop is delivered over 1 day with some mandatory pre-course work. The workshop will be delivered at WCRA's Wetherill Park training facility.

### **Workshop material**

Each participant will be provided with a hard copy first aid book and on-the-day training materials.

**This course is a nationally accredited course so a Unique Student Identifier Number is required prior to booking the course.**
