

WASTE CONTRACTORS &
RECYCLERS ASSOCIATION
OF N.S.W

TRAINING/WORK EXPERIENCE OPPORTUNITY WASTE MANAGEMENT SECTOR, NSW

Through a funding agreement granted by the NSW Department of Industry (Vocational Education and Training) the Waste Contractors and Recyclers Association of NSW offers a ***no fee training*** and work experience opportunity for individuals who are considering working within the sector.

The course comprises a three-day intensive training session which will provide statements of attainment in both Chain of Responsibility & Fatigue Management. All training will be conducted by Industry Professionals.

The training will take place at Wetherill Park over three days from 11th to 13th April 2018.

Following this training we will organise 5 days of work experience for completion by 30th April 2018.

Applicants who are considering a career in the waste management sector are encouraged to apply by email to training@wcra.com.au

For further details please call 02 9604 7206

Please include your relevant contact details, nominate your work preference (administration, customer service, sales, heavy vehicle driving, workshop mechanical or other) and specify your preferred work experience location (Western Sydney, Newcastle, Wollongong or NSW north coast).

Applications will close at the COB on Wednesday 4th April 2018
