**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF WASTE CONTRACTORS
AND RECYCLERS ASSOCIATION OF NSW**

Opinion

I have audited the financial report of Waste Contractors and Recyclers Association of NSW, which comprises the statement of financial position as at 30 June 2019, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year ended 30 June 2019, notes to the financial statements, including a summary of significant accounting policies; the Committee of Management Statement, and the Officer Declaration Statement.

In my opinion, the accompanying financial report presents fairly, in all material aspects, the financial position of Waste Contractors and Recyclers Association of NSW as at 30 June 2019, and its financial performance and its cash flows for the year ended on that date in accordance with:

- a) the Australian Accounting Standards; and
- b) any other requirements imposed by the Reporting Guidelines of the *Industrial Relations Act 1996 (NSW)*.

I declare that management's use of the going concern basis in the preparation of the financial statements of the Association is appropriate.

Basis for Opinion

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of my report. I am independent of the Reporting Unit in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to my audit of the financial report in Australia. I have also fulfilled my other ethical responsibilities in accordance with the Code.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Information Other than the Financial Report and Auditor's Report Thereon

The Committee of Management is responsible for the other information. The other information obtained at the date of this auditor's report is in the Operating Report accompanying the financial report.

My opinion on the financial report does not cover the other information and accordingly I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial report, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or my knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Responsibilities of Committee of Management for the Financial Report

The Committee of Management of the Waste Contractors and Recyclers Association of NSW is responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards - Reduced Disclosure Requirements and the *Industrial Relations Act 1996 (NSW)*, and for such internal control as the Committee of Management determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Committee of Management is responsible for assessing the Reporting Unit's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Committee of Management either intend to liquidate the Association or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

My objective is to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Waste Contractors and Recyclers Association of NSW's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Committee of Management.
- Conclude on the appropriateness of the Committee of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on Waste Contractors and Recyclers Association of NSW's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Reporting Unit to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within Waste Contractors and Recyclers Association of NSW to express an opinion on the financial report. I am responsible for the direction, supervision and performance of the Association's audit. I remain solely responsible for my audit opinion.

I communicate with the Committee of Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I declare that I am an approved auditor, a member of the Institute of Chartered Accountants and hold a current Public Practice Certificate.

Committee of Management Statement for the year ended 30 June 2019

On 12th November 2019, the Executive Committee of Waste Contractors and Recyclers Association of NSW passed the following resolution in relation to the general purpose financial report for the year ended 30 June 2019:

In the opinion of the committee, the attached financial report

1. Presents a true and fair view of the financial position of Waste Contractors and Recyclers Association of New South Wales as at 30 June 2019 and its performance for the year ended on that date.
2. At the date of this statement, there are reasonable grounds to believe that Waste Contractors and Recyclers Association of New South Wales will be able to pay its debts as and when they fall due.

Also in our opinion:

- (a) there were kept by the Association in respect of the year ended 30 June 2019, satisfactory accounting records detailing the sources and nature of the income of the Association (including income from members) and the nature and purposes of expenditure; and,
- (b) the attached financial report and other reports, prepared in accordance with Section 510 of the Industrial Relations Act 1996 (NSW) in relation to the year, were properly drawn up so as to give a true and fair view of:-
 - i) the financial position of the Association as at 30 June 2019; and
 - ii) the income and expenditure, and result of the Association for the year ended on that date; and
 - iii) all information, being information which was reasonably wanted for the purpose of the audit, which was required and sought by us or by any person authorised by us, for the purpose of the audit, was provided.

We also understand that to the extent that there was any deficiency, failure or shortcomings in relation to the matters referred to above, we must report particulars and that those particulars, if any, which form part of these report, are attached.

This declaration is made in accordance with a resolution of the Committee of Management.

WASTE CONTRACTORS AND RECYCLERS ASSOCIATION OF NSW

ABN 72 805 135 472

Notes to the financial statements for the year ended 30 June 2019

Note 1. Significant accounting policies

Waste Contractors and Recyclers Association of NSW (the Association) is an Association domiciled in Australia. The address is Suite 2, First Floor 12–16 Daniel Street, Wetherill Park.

a) Statement of Compliance

The financial report is a general purpose financial report which has been prepared in accordance with the Australian Accounting Standards (AASBs) adopted by the Australian Accounting Standards Board (AASB) and the *Industrial Relations Act 1996 (NSW)*. For the purpose of preparing the general purpose financial statements, the Waste Contractors and Recyclers Association of NSW is a not-for-profit entity.

b) Basis of Preparation

The financial report is presented in Australian dollars.

The financial report is prepared on the historical cost basis. The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates, and assumptions that affect the application of policies and reported amounts of assets and liabilities, income, and expenses.

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods. The accounting policies have been applied consistently to all periods presented in the financial report.

c) New Standards not yet adopted

A number of accounting standards and amendments with application dates commencing subsequent to year end were available for early adoption. The new accounting standards do not apply to the Association.

d) Cash and Cash Equivalents

Cash and cash equivalents comprise cash balances and short-term interest bearing deposits that are readily convertible to cash and which are subject to an insignificant risk of change in value.

e) Trade and Other Receivables

Trade and other receivables are stated at their amortised cost less impairment losses.

f) Trade and Other Payables

Trade and other payables are stated at their amortised cost.

WASTE CONTRACTORS AND RECYCLERS ASSOCIATION OF NSW
ABN 72 805 135 472

Notes to the financial statements for the year ended 30 June 2019

g) Impairment

Financial Assets

A financial asset is assessed at each reporting date to determine whether there is any objective evidence that it is impaired.

h) Provisions

A provision is recognised in the Statement of Financial Position when the Association has a present legal or constructive obligation as a result of a past event that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

i) Income Tax

The Association is exempt from income tax under Section 23(h) of the Income Tax Assessment Act and no provision has been made in the accounts for income tax.

j) Revenue Recognition

Membership subscriptions represent the amount due from members in accordance with the Association's Rules and are accounted for on an accrual basis and is recorded as revenue in the year to which it relates.

Revenue from sponsorship fees is accounted for on an accrual basis and is recorded as revenue in the year to which it relates.

Receivables for goods and services, which have 30 day terms, are recognised at the nominal amounts due less any impairment allowance account. Collectability of debts is reviewed at end of the reporting period. Allowances are made when collectability of the debt is no longer probable.

Interest revenue is recognised as it accrues, using the effective interest method.

k) Goods and Services Tax

Revenue and expenses are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of the expense.

Receivables and payables are stated with the amount of GST included. The net amount of GST recoverable from, or payable to, the ATO is included as a current asset or liability in the Statement of Financial Position. Cash flows are included in the Statement of Cash Flows on a gross basis. The GST components of cash flows arising from investing and financing activities which are recoverable from, or payable to, the ATO are classified as operating cash flows.

l) Government grants

Government grants are recognised initially as deferred income when there is reasonable assurance that they will be received and that the Association will comply with the conditions associated with the grant. Grants that compensate the Association for expenses incurred are recognised in the profit or loss on a systematic basis in the same periods in which the expenses are recognised.

m) Property, Plant and Equipment

Building, improvements and office equipment are carried at cost less, where applicable, any accumulated depreciation.

Notes to the financial statements for the year ended 30 June 2019

The depreciable amount of all property, plant and equipment is depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use. Depreciation rates applying to each class of depreciable asset are based on the following useful lives:

Strata Building (50 years)

Plant and equipment (3 to 6 years)

Interest in Contracts

On 1 June 2005, Waste Contractors and Recyclers Association of NSW entered into a contract with Transector Pty Ltd for whom Mr Tony Khoury acts as managing director, to provide management and business services.

This agreement was varied on 30 June 2009. A five year loyalty agreement was agreed to, whereby each year, commencing on 30 June 2009 for the 2008/2009 financial year, an amount of \$10,000 would be set aside by the Association for the benefit of Transector Pty Ltd and would be set aside in a separate bank account and the proceeds used to reward Transector Pty Ltd at the conclusion of the five year term.

This loyalty agreement was further extended on 1 July 2013 for a five year period to 30 June 2018. In June 2018, \$100,000 was paid to Transector Pty Ltd with a balance of accumulated interest owing of \$16,704.02 at 30 June 2018. A payment of \$10,000 was approved in May 2019 to be paid in June 2019. This has increased the amount payable at 30 June 2019 to \$27,124.65.

Note 14: Events after the Reporting Period

There were no events that occurred after 30 June 2019, and/or prior to the signing of the financial statements, that would affect the ongoing structure and financial activities of Waste Contractors and Recyclers Association of NSW.

COMMITTEE OF MANAGEMENT STATEMENT

for the year ended 30 June 2019

On 12th November 2019 the Committee of Management of Waste Contractors and Recyclers Association of NSW passed the following resolution in relation to the general purpose financial report (GPFR) for the year ended 30 June 2019:

The Committee of Management declares that in its opinion:

- (a) the financial statements and notes comply with the Australian Accounting Standards;
- (b) the financial statements and notes comply with any other requirements imposed by the Reporting Guidelines or Part 3 of Chapter 8 of the *Fair Work (Registered Organisations) Act 2009* (the RO Act);
- (c) the financial statements and notes give a true and fair view of the financial performance, financial position and cash flows of the reporting unit for the financial year to which they relate;
- (d) there are reasonable grounds to believe that the reporting unit will be able to pay its debts as and when they become due and payable; and
- (e) during the financial year to which the GPFR relates and since the end of that year:
 - (i) meetings of the committee of management were held in accordance with the rules of the organisation including the rules of a branch concerned; and
 - (ii) the financial affairs of the reporting unit have been managed in accordance with the rules of the organisation including the rules of a branch concerned; and
 - (iii) the financial records of the reporting unit have been kept and maintained in accordance with the RO Act; and
 - (iv) where the organisation consists of two or more reporting units, the financial records of the reporting unit have been kept, as far as practicable, in a consistent manner with each of the other reporting units of the organisation; and
 - (v) where information has been sought in any request by a member of the reporting unit or Commissioner duly made under section 272 of the RO Act has been provided to the member or Commissioner; and
 - (vi) where any order for inspection of financial records has been made by the Fair Work Commission under section 273 of the RO Act, there has been compliance.

This declaration is made in accordance with a resolution of the Committee of Management.
